Hank:

The attached correspondence with the Director went up through you but I do not believe it returned through you. You might wish to take a look at the courses yourself and then let me have any thought on the matter you have. I will then take care of it with OTR.

DDA 77-2065: Memo dtd 15 Apr 77 to DCI via DDCI fr DDA, subj: DCI Appearances in Office of Training-Sponsored Courses and Programs

OFFICE OF THE DIRECTOR

Date: 19 April 77

TO: Bernie

FROM: DG

SUBJECT: Request for DCI to Select Agency-Sponsored Courses and Programs at which he would speak, and

REMARKS: programs of other Agencies or Institutions where it is traditional for DCI to speak.

Mr. Blake has attached a list of these courses and programs, and made his recommendations. *in Blue on Right Margin*

Only thing that might be pointed out is that most of courses and programs are for senior, or relatively senior, people. The two exceptions are "CIA: Today and Tomorrow" (for 200 employees of all grades, and is held three times a year) and the Basic Foreign Service Officers Course which meets six times a year.

It would be good for DCI's contacts with large numbers of CIA people at the "Today and Tomorrow" Course if he could appear: it would take only half an hour.

Concerning the Basic Foreign Service course, clearly DCI should not appear at every one of the six runnings of this course; however, an occasional appearance would be useful to help start young State Dept officers who are going overseas off on the right foot so far as Intelligence is concerned.

MEMORANDUM FOR: Director of Central Intelligence
VIA: Deputy Director of Central Intelligence
FROM: John F. Blake
Deputy Director for Administration
SUBJECT: DCI Appearances in Office of Training-
Sponsored Courses and Programs

1. Action Requested: Your guidance is sought concerning Agency training courses and external briefing programs in which you normally desire to participate.

2. Background: The Office of Training (OTR) has submitted to me a list of courses and programs in which the Director is normally invited to participate. The list is attached.

3. Staff Position: It seems important for you, as Director, to maintain some pattern of regular contact with Agency employees and with members of influential groups from the government and private sector, and to have the opportunity to communicate your thoughts to such groups. A number of OTR's courses and special programs provide this opportunity. At the same time, demands upon your time, as I view it, will be extremely heavy within the next few months. Consequently, I have annotated the attached list with a simple "Yes" or "No" after each entry as my suggestions for your participation on a normal basis.

4. Recommendations: Please advise me of any change or deletion you wish to make from my suggestions on the attached list so that I may advise the Office of Training to invite you only to those courses and programs in which you desire to participate.
